

The Town Board of the Town of Stamford held a special informational meeting for the proposed South Kortright Wastewater Management Program at the South Kortright Community Church, 10710 Co. Hwy. 18, South Kortright, NY on Sept. 20, 2011 at 7:00 P.M (postponed from Sept. 7, 2011 due to flooding) with the following present:

Supv.- Michael Triolo
Councilperson-Bette Jayne Spinney
Councilperson-Chris Gaddis

Absent was: Councilperson-Rudy Stripp and Councilperson-Daniel Deysenroth

Also present: Henry Lamont, Chris Yacobucci, Kevin Young, Nate Hendricks, Beverly McIntosh, Carolyn Cole, Jason Comer, Steve Zaionz, Kathleen Swantak, George Thompson, Lisa McGregor, Krislynn Dengler and Norman and Dorine Muller.

The South Kortright Community Wastewater Management Program Preliminary Engineer's Report was presented. Proposed is a Community Septic System which is a larger scale of an individual septic system with wastewater carried through lateral pipes and collection mains. The Allen Center will be used as the pump center and the wastewater will be pumped to the Village of Hobart Sewer Plant. Individual septic systems would be decommissioned.

New York City will pay for the construction of the Community Wastewater Management System and will be managed by the Catskill Watershed Corporation. New York City will also subsidize the operation and maintenance costs. Lamont Engineers will coordinate, evaluate and design the project.

Maps were reviewed and questions were answered.

A MOTION made by Michael Triolo to adjourn this meeting at 8:42 P.M. The next regular meeting will be held on Oct. 12, 2011 at 7:00 P.M. at the Town Municipal Building, 101 Maple Ave., Hobart, New York.

WE, the undersigned members of the Town Board of the Town of Stamford, Delaware County, New York, do hereby certify that we have examined the minutes of the previous hearing and found them to be correct and accurate as recorded.
